**STATEMENT OF FACTS BY GINGER R. DREGER IN SUPPORT OF
PETITION UNDER 37 CFR 1.47(a)**

Sir:

I, Ginger R. Dreger, declare as follows:

1. I am an attorney registered to practice before the United States Patent and Trademark Office under Registration No. 33,055, and am the attorney of record for the above-identified patent application.

2. On May 20, 2004, I prepared a letter to Dr. Jose Baselga, giving him instructions regarding the contents of the patent application and his duties as an inventor and requested that if the application was accurate and complete, then he should sign the Declaration and Assignment. Along with the letter, I enclosed the following: (a) a copy of the above-identified patent application as filed (including specification, claims and drawings); (b) a Combined Declaration for Patent Application and Power of Attorney; and (c) an Assignment.

3. I signed the letter, and instructed my assistant, Cheryl Rogers, to send the package to Dr. Baselga at his work address, via Federal Express (standard overnight delivery).

4. On May 24, 2004, Ms. Rogers received a delivery report from Federal Express indicating that the package had been signed and accepted for Dr. Baselga by S. Ello.

5. Subsequently, I asked Ms. Rogers to send an e-mail reminder to Dr. Baselga, which she did on June 24, 2004.

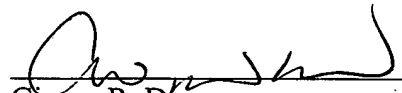

6. On July 30, 2004 I asked Ms. Rogers to make a further copy of the patent application, Declaration and Assignment, and re-send the package to Dr. Baselga by Federal Express, to the same work address. Subsequently, Ms. Rogers informed me that delivery was confirmed by Federal Express on August 2, 2004.

7. During the time between May 20, 2004 and July 30, 2004, I have made several telephone calls to Dr. Joffrey Baker at Genomic Health, Inc., assignee of the above-identified patent application, asking his assistance with obtaining Dr. Baselga's signature. I was informed that Dr. Baselga refused to sign the Declaration and Assignment documents.

8. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.

Respectfully submitted,

Re: U.S. Patent Application No. 10/714,195
Title: GENE EXPRESSION PROFILING OF EGFR POSITIVE CANCER
Filed: November 14, 2003
Our Reference No.: 39740-0005A

Dear Dr. Baselga:

In order to secure an early filing date, the above-identified application was filed with an unsigned Declaration. In order to complete formalities, enclosed is a copy of the application as filed on November 14, 2003, along with a Declaration and Power of Attorney by Inventors and Assignment form. In order to maintain this filing date and sustain the pendency of the application the "formal" documents relating to this application must be executed and filed in the U.S. Patent and Trademark Office by **May 24, 2004**.

United States patent laws require that the application describe the invention, and the method for making and using it, completely and accurately such that a person who has an ordinary amount of skill in the technology pertaining to this invention could, after reviewing the application, make and use the invention. Additionally, the patent laws require that the application set forth the preferred implementation or "best mode" of carrying out the invention. If the application would not permit such persons of ordinary skill to make and use the invention, or if you, at this time, know of a better way to make or use your invention than that which is described in the enclosed application, please let us know immediately.

Please carefully read the enclosed patent application in connection with the above requirements, and if there is anything in the application that appears to be incomplete or inaccurate, or that may be misleading, then contact me at once.

Please read the Declaration which is attached to the back of the application. You must carefully consider certain matters before signing the Declaration.

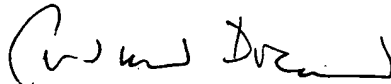

The Declaration states that there is a duty to disclose information regarding earlier developments and the like which may be material to the examination of the application. If you know of such information now or learn of any while the application is pending in the U.S. Patent and Trademark Office, please advise me promptly.

Further, the Declaration states the inventors that have been named when filing the above-identified patent application. If the inventors or you have reason to believe that any of the named inventors not be an inventor, or that anyone may have been omitted as an inventor, please contact me immediately.

You should sign and date the enclosed Declaration where indicated. **Also, you should execute both the Declaration and the Assignment on the same day. The Declaration and Power of Attorney should be signed on the same day or earlier than the Assignment, but not after.** After execution, please return the papers to us, in the enclosed Federal Express envelope, for filing in the U.S. Patent and Trademark Office.

If you have any questions or comments, please call.

Sincerely,

Ginger R. Dreger

LEGAL TERMS AND CONDITIONS OF FEDEX SHIPPING DEFINITIONS. On this Air Waybill, "we", "our", "us", and "FedEx" refer to Federal Express Corporation, its subsidiaries and branches and their respective employees, agents, and independent contractors. The terms "you" and "your" refer to the shipper, its employees, principals and agents. If your shipment originates outside the United States, your contract of carriage is with the FedEx subsidiary, branch or independent contractor who originally accepts the shipment from you. The term "package" means any container or envelope that is accepted by us for delivery, including any such items tendered by you utilizing our automated systems, meters, manifests or waybills. For those shipments transported solely by road, if a conflict arises between the provisions of the CMR and this Air Waybill, the terms of the CMR shall prevail. **LIMITATION OF LIABILITY.** If not governed by the Warsaw Convention, the CMR, or other international treaties, laws, other government regulations, orders, or requirements, FedEx's maximum liability for damage, loss, delay, shortage, misdelivery, nondelivery, misinformation or failure to provide information in connection with your shipment is limited by this Agreement and as set out in the terms and conditions of the contract of carriage. Please refer to the contract of carriage set forth in the applicable FedEx Service Guide or its equivalent to determine the contractual limitation. FedEx does not provide cargo liability or all-risk insurance, but you may add an additional charge for each additional U.S. \$100 (or equivalent local currency for the country of origin) of declared value for carriage. If a higher value for carriage is declared and the additional charge is paid, FedEx's maximum liability will be the lesser of the declared value for carriage or your actual damages. **LIABILITIES NOT ASSUMED.** IN ANY EVENT, FEDEX WON'T BE LIABLE FOR ANY DAMAGES, WHETHER DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL IN EXCESS OF THE DECLARED VALUE FOR CARRIAGE (INCLUDING BUT NOT LIMITED TO LOSS OF INCOME OR PROFITS) OR THE ACTUAL VALUE OF THE SHIPMENT, IF LOWER, WHETHER OR NOT FEDEX HAD ANY KNOWLEDGE THAT SUCH DAMAGES MIGHT BE INCURRED. FedEx won't be liable for your acts or omissions, including but not limited to incorrect declaration of cargo, improper or insufficient packaging, securing, marking or addressing of the shipment, or for the acts or omissions of the recipient or anyone else with an interest in the shipment or violations by any party of the terms of this agreement. FedEx won't be liable for damage, loss, delay, shortage, misdelivery, nondelivery, misinformation or failure to provide information in connection with shipments of cash, currency or other prohibited items or in instances beyond our control, such as acts of God, perils of the air, weather conditions, mechanical delays, acts of public enemies, war, strike, civil commotion, or acts or omissions of public authorities (including customs and health officials) with actual or apparent authority. **NO WARRANTY.** We make no warranties, express or implied. **CLAIMS FOR LOSS, DAMAGE OR DELAY. ALL CLAIMS MUST BE MADE IN WRITING AND WITHIN STRICT TIME LIMITS. SEE OUR TARIFF, APPLICABLE FEDEX SERVICE GUIDE, OR STANDARD CONDITIONS OF CARRIAGE FOR DETAILS.** The Warsaw Convention provides specific written claims procedures for damage, delay or non-delivery of your shipment. Moreover, the interpretation and operation of the Warsaw Convention's claims provisions may vary in each country. Refer to the Convention to determine the claims period for your shipment. The right to damages against us shall be extinguished unless an action is brought within two years, as set forth in the Convention. FedEx is not obligated to act on any claim until all transportation charges have been paid. The claim amount may not be deducted from the transportation charges. If the recipient accepts the shipment without noting any damage on the delivery record, FedEx will assume the shipment was delivered in good condition. In order for us to consider a claim for damage, the contents, original shipping carton and packing must be made available to us for inspection. **MANDATORY LAW.** Insofar as any provision contained or referred to in this Air Waybill may be contrary to any applicable international treaties, laws, government regulations, orders or requirements such provisions shall remain in effect as a part of our agreement to the extent that it is not overridden. The invalidity or unenforceability of any provisions shall not affect any other part of this Air Waybill. Unless otherwise indicated, **FEDERAL EXPRESS CORPORATION**, 2005 Corporate Avenue, Memphis, TN 38132, USA, is the first carrier of this shipment. Email address located at www.fedex.com.

Dear Dr. Baselga:

My name is Cheryl Rogers and I am Ginger Dreger's assistant from Heller Ehrman White & McAuliffe. Ms. Dreger is the patent attorney for Genomic Health.

On May 20, 2004 I sent you a Declaration/Power of Attorney and Assignment for your signature (sent via Federal Express). As of this date I have not received the documents back. The documents were originally due for filing with the U.S. Patent & Trademark Office by April 24, 2004. However, extensions of time may be requested upon payment of the appropriate government fees. We are currently into our third month of extension fees and each month the cost rises. The final deadline to file these documents **is September 24, 2004.**

I have attached the documents to the e-mail for your convenience. Kindly, at your earliest convenience, execute the documents where indicated and return them to me via Federal Express. Failure to file these documents with the Patent & Trademark Office will result in the application becoming abandoned and potentially having to be refiled at further expense.

If you have any questions or wish additional information, please contact me. Thank you.

LEGAL TERMS AND CONDITIONS OF FEDEX SHIPPING DEFINITIONS. On this Air Waybill, "we", "our", "us", and "FedEx" refer to Federal Express Corporation, its subsidiaries and branches and their respective employees, agents, and independent contractors. The terms "you" and "your" refer to the shipper, its employees, principals and agents. If your shipment originates outside the United States, your contract of carriage is with the FedEx subsidiary, branch or independent contractor who originally accepts the shipment from you. The term "package" means any container or envelope that is accepted by us for delivery, including any such items tendered by you utilizing our automated systems, meters, manifests or waybills. The term "shipment" means all packages which are tendered to and accepted by us on a single Air Waybill. **AIR CARRIAGE NOTICE.** For any international shipments by air, the Warsaw Convention, as amended, may be applicable.
